EXPERIENCE

Finance Manager *Kora Financial Inc. (formerly Westbon)*

Dec 2021 – Present

- **Accounting close & reporting:** Owned the month-end close process in QuickBooks across multiple entities, using Advanced Excel to consolidate and reconcile high-volume transaction data and prepare journal entries.
- **System migration:** Led full migration from NetSuite to QuickBooks Online, including data archiving, chart of accounts mapping, and QBO setup and configuration. Managed data validation and parallel close to ensure accuracy across periods; reduced annual software costs from \$24K to under \$4K.
- **Process automation & close improvement:** Built a full-cycle finance automation workflow using AI tools and API integrations, covering routine report generation and the full month-end close procedure. Reduced the month-end close cycle from 15 days to under 3 days.

Senior Accountant *Westbon Inc.*

Jul 2019 – Dec 2021

- **Full-cycle accounting, close & consolidation:** Owned full-cycle accounting and month-end close across multiple legal entities in NetSuite, covering all BS and P&L accounts, and partnered with NetSuite ACS on customized reporting and project-level accounting applications.
- **Cash, AR, AP and vendor payments:** Managed cash positioning across multiple accounts; oversaw AR aging and collections; reviewed vendor payments and transfers; maintained 1099 preparation and filing for multiple entities.
- **Audit, tax & compliance support:** Served as primary contact for external auditors, preparing workpapers, financial statements and audit schedules; managed IRS correspondence, resolving a penalty dispute that saved \$35K.

Senior Budget Analyst *YooLi P2P Lending LLC*

Nov 2017 – Sep 2018

- **Budgeting and variance reporting:** Led annual budget preparation and periodic cost reviews using Oracle; delivered budget-vs-actual variance analysis and management commentary to executive leadership.

Staff Auditor *KPMG LLP*

Oct 2015 – Nov 2017

- **Financial statement audits:** Performed interim and year-end audits for public company clients, including internal control walkthroughs, risk assessment, and substantive testing across balance sheet and P&L accounts.
- **Complex engagements:** Identified and escalated material misclassification of government subsidies; conducted substantive testing in a fraud investigation covering disbursement records and grant compliance.
